
Magic City All Stars

2019-2020 Contract

Congratulations!

Congratulations on an awesome tryout and welcome to the 2019-2020 MC All Star family. It is going to be a successful and rewarding season and we look forward to seeing you all at our first Choreography Camp in June!

Please take the time to sit down with your athlete and thoroughly go through all of Magic City All Stars procedures and policies listed in this contract. This will ensure that the athlete fully understands the expectations that will be put into place regarding individual and team commitments. **Also, please initial every yellow box throughout the document agreeing to each procedure and policy.**

Conduct and Sportsmanship

During your competition season with Magic City All Stars, you the student will be the public face for our program. We expect our students to conduct themselves at competitions and community functions with high moral character when they represent our gym. To be a good competitor, you have to be a good sportsman. In saying that, we want every team member to support one another during practices and competitions. We also want you to cheer for other squads in our area at all events. We want everyone to be present for award ceremonies and demonstrate good sportsmanship throughout every competition.

We expect you to treat your coaches with respect as they will treat you the same. If your attitude or actions interfere with a practice or performance, then you will be disciplined, and, if necessary, removed from the team. We believe in the value of every athlete and we will do everything we can to have a positive influence on our athletes. Our program is intended to teach teamwork, goal-setting, personal commitment and leadership qualities that will last a lifetime.

Grades

We feel it is vital that all of our students also perform well in the classroom. We do not ask that all of our students make straight A's, but we do want you to perform up to your potential. We will make every effort possible to help students with subjects that they are having a hard time in.

School comes first. With that said, students will not be excused from practices or competitions because of a test or project. Magic City All Stars is a commitment just like family, school, and church. It is the students job to plan ahead. Practice and competition dates are set upfront so that students can be proactive and prioritize.

Teamwork Expectations

We expect all Magic City All Star members to put the team ahead of the individual athlete. All decisions made by the coaches and staff are made for the benefit of the team's performance, scoring and success. Each member of the team will have a strategic and equally important role throughout the routine. If at first, the athlete or parents doesn't agree with their placement in the routine, try looking at it from the teams perspective. There is no position on the team that is too big or too small. Every member will serve as an important entity in the full routine. When everyone works together for the betterment of the team, then and only then, will we be successful.

Each athlete will set individual and team goals for the season. Through instruction, the athlete will work hard to obtain and even exceed those goals, building a strong work ethic for the future. We are dedicated to developing the lifelong success of the athlete, not on merely winning trophies.

Communication

Throughout the season we will predominately communicate through email to inform parents and athletes with team information. Please check your email daily for updates and announcements. *Group Me*, and/or other messaging services may be used as an additional outlet for quick communication for parents and team members on

competition days. Magic City will set up these group messages well in advance and inform each family through email as to how you should join.

Coaches will be available *following* classes and team practices to answer any questions regarding your athlete, their needs and their individual progress. We want to keep an open door policy with communication to help each parent and athlete understand every decision in which they are involved, but do ask that it is communicated in an appropriate and respectful manor. We strongly encourage that parents have their athlete speak with coaches directly in order to remove any feelings of a communication barrier. All communications via email and/or text message from athletes to staff members must also include the parent as a recipient.

During classes and practices, coaches are needed to instruct the athletes. We ask that parents do not approach a coach during a class or practice. Any issues may be discussed at the end of the session. Also, please keep in mind that while coaches are there to speak openly with you about any questions or concerns regarding your athlete, we will never speak about a decision made regarding another athlete unless they're present.

At competition, coaches are there to coach. Any issues that arise during a competition will be addressed promptly during the week following the competition. Please do not approach a coach with an issue at competitions.

Coaches Commitment

The Magic City All Star Coaches are thoroughly trained, motivated, and committed to the success of your athlete. Parents and athletes can expect MC Coaches to provide a fun, safe and overall positive atmosphere and training experience. We are committed to always being approachable and friendly while maintaining a professional relationship with each athlete and parent. MC Coaches are also committed to teaching skills in a technically precise and safe format. We will continue to challenge each athlete to reach their full potential throughout the entire season.

Competitions

Level 1 team will attend 4 competitions.

Level 2 and Level 3 will attend 5 competitions.

Most event producers will set their competition schedules by first of June for the upcoming season. A few companies that we have competed with in the past have not set their schedule at this time so we will wait until those come out before setting our final competition schedule for the season. The Level 1 team will attend three competitions in Birmingham and one competition out of town. Level's 2 and 3 will attend three competitions in Birmingham and two out of town. The two out of town competitions for the 2019-2020 season have been chosen. Details are listed below. The remaining 3 Birmingham competitions will be sent out through email by June 1, 2019.

Out of Town Competition Dates:

1. February 14-16, 2020- Cheersport Nationals

(Information on hotel accommodations for both of these competitions will be sent out during the season).

Birmingham Competition Dates:

These will be selected and sent out through email by June 1, 2020.

All cheerleaders must have a parent chaperone with them at competitions. If you can't attend a competition, it is your responsibility to make travel and supervisory plans for your child. Please understand, we are responsible for students only while in the competition area. Coaches will provide each squad member times for check-in prior to the competition. If you are late to the check-in time you will be punished with extra conditioning and the parent will be fined \$50. It is VERY important that you are not late to a competition.

Practices

Summer Camps: Instead of having weekly practice times during the summer we will be having 2 camps. *The camps are required by all members.* We will be learning choreography for the entire season during these 2 weeks. We hope this will allow everyone more flexibility with Summer vacations. Tumbling classes will resume as normal during the summer. Summer tumbling begins June 3, 2019. The tumbling class is included in your monthly All Star fee. *You may sign up for those online at this time if you haven't already.*

Each squad has **MANDATORY practice twice a week starting August 2019. While we understand that family emergencies and school or church events occur, practices must be attended by ALL team members for our gym to be competitive.**

Along with the two mandatory team practices each week, athletes will also be asked to attend one tumbling class a week of their choice that will be included in the monthly fee. The coach reserves the right to require an extra tumbling class for individual members of the team if they feel like the athletes skills are not progressing at the rate they should be.

You will be charged at the time of registration for the tumbling class. \$95 will be deducted from your All Star fee that will be billed on June 1. The fall schedule tumbling classes will be posted sometime during July. An email will be sent out once they are posted. Everyone will be responsible for registering for their own tumbling class at that time. Again, the tumbling class is included in your monthly All Star fees.

Gym Closings

The gym will be closed for Labor Day, Thanksgiving, Christmas and Spring Break. We will follow the athletes school schedule. When the athletes are out of school for the holidays listed above the gym will be closed as well.

Attendance Policy

Practice attendance is absolutely mandatory and compliance with the attendance policy will be strictly enforced. An athlete's team position will be jeopardized for noncompliance with all of the attendance policies. **Competitive cheerleading is a "team sport" in the truest sense of the term.** *Our practices are planned and our routines are choreographed to include every cheerleader.* We do not have 2nd and 3rd string positions in our sport. If an athlete is not present for a practice we cannot simply put another member in their place. Everyone has a specific job that cannot be executed without EVERY member present.

- Unexcused absences are NEVER allowed.
- We ask that you put any conflict in writing at least 2 weeks ahead of time and submit the notice through email. **Should you become sick for any reason, please give us a**

24 hour notice if possible. 10 minutes before practice starts will not be accepted and the athlete will be expected to be at practice. This rule will be strictly enforced.

- Tardiness to mandatory practices or leaving early will result in extra conditioning. Practices are very important because each member is an integral part of the routine. It is impossible to practice the routine full out if even one athlete is missing.
- **If you are more than 10 minutes late to a practice the parent will be fined \$25 for each occurrence and the athlete will be expected to stay after practice for conditioning. If you miss a practice without getting it excused through Coach Kendall ONLY (No other coach can excuse an athlete from practice) the parent will be fined \$45 and the athlete will be expected to stay after the next practice for conditioning.**
- **Sickness is only an excuse if you have a doctors note saying you are contagious.** If you are not contagious you are expected to be at practice whether you participate or not. Scheduling a doctors appointment during practice will not be accepted. If you feel that you are too ill to come to practice and that you are contagious please go to the doctor before practice so you can adequately provide a doctors note before practice begins.
- **IMPORTANT: If your child is not feeling well we have no problem with them taking it easy during practice. Tumbling and jumps can all be excused and extra water breaks can be given. Stunt groups are really the ones that suffer when a member is not able to participate, so we ask that they do as much as they can within reason even if that means they only stunt and sit out the rest of practice. The coaches are parents themselves so we understand and will show compassion in every situation. Please work with us and we will ensure your child is taken care of while at our gym.**
- Injuries are not an excuse as you should be at practice for team bonding time and to learn any routine changes that might have been made while you are out.
- Any removal from a squad based on the lack of attendance will result in no refund of any fees paid during the year for any reason.
- If an athlete is absent from practice for any reason, whether excused or unexcused, he or she is responsible for learning ALL routine changes made prior to the next practice.
- Practices may be changed or added at any time throughout the year. Although this is highly unlikely. Parents must check emails, social media, and team calendars done by the team mom(s), regularly for updates. We will give ample time to all parents should we add or change a practice.
- No absences for anyone prior to a competition, the week before. If an athlete is absent, they could be removed from the routine for that event.

- Missing a competition without prior notice, and/or approval, will result in immediate dismissal from the program along with a \$200 charge to their account, along with the buy out fee listed below.

All payments must be made for any outstanding uniforms and practice gear that has been purchased. A "buyout" of \$900 will also be charged to your account. This is 3 months of fees for MC All Stars.

If you decide for any reason to leave the squad you also will be responsible for all uniforms and items we have already purchased for you.

You also will be financially responsible for ALL competition registration fees. These are paid way in advance and are non refundable from the sponsor of the competition. These are paid in full during August and must be reimbursed to MCC&T in full.

Registration and Payment Authorization

All Magic City All Star athletes must be registered through our parent portal on the website before June 1, 2019. The online registration is where families will select all of their classes for the year. A credit/debit card is required for registration. You will only need to register for your tumbling class of choice. Magic City will set up your team program on your account for you.

During June and July the monthly fee will be \$415. This will include camp cost, one weekly tumbling class, choreography and music fees for the routine. From August 2019- May 2020 the monthly fee will drop down to \$300. This includes two weekly team practices, one weekly tumbling class, and all competition fees throughout the season.

***Please note that when you register for your weekly tumbling class on the website you will be charged for the class at the time of registration (\$95). That amount will be deducted from your monthly fee and your remaining balance that will be charged to your card on June 1st which will be \$320 (\$415 - \$95).

PAYMENT OPTIONS: You can choose to pay \$415 during June and July and drop down to \$300 the remainder of the season or you can choose to pay \$350 June-

September. If you choose to pay \$350 for 4 months you will begin paying the regular fee of \$300 beginning in October.

Mandatory One Time Fees:

- b. Team Bow- \$25
- c. Team Makeup- \$30
- d. Practice Wear- \$45

Optional one time fees: Everyone will be required to buy a pair of white cheer shoes of your choice. You can get them through us (we will order from Varsity) or you can buy them on your own. As long as they are solid white it doesn't matter what kind. We will also design practice bags and warm ups for the squads.

- a. Warmup Jacket- around \$100
- b. Warmup Pant- around \$50
- c. Varsity Cheer Shoes- \$95
- d. Team Backpack- around \$65

The mandatory and optional items listed above will be finalized through Varsity during the summer. More information will be sent out through email once we have met with our Varsity rep.

If at anytime a student owes the gym more than one month's fee, he or she will be moved to an inactive roster until the balance is zero. Any student who falls behind in payments can be removed immediately and all late fees will be charged.

Dress Code

Athletes will be required to wear the designated practice wear to each practice. **NO jewelry** is allowed of any kind. Hair must be worn in a ponytail to practice and be able to withstand all activities during practice without falling out. If that means you need to use 2, 3, or 10 rubber-bands in your hair... do it! If a student comes to practice out of uniform they will be punished.
